FROM MY PERSPECTIVE

Happy New Year! Bill & I wish you all the best in the new year. May you have health and happiness. This is my last column as President of the Bonnyville Seniors. I would like to acknowledge the executive and board of directors for always having been diligent and ever-present. Thank you for having my back. Congratulations to the new incoming executive and board of directors whoever they may be. I know that I leave the wellbeing of this Centre in very good hands. Now, I hope to be able to join in some activities and to do the things I have wanted to do for a while. But mostly I am hoping that this will give my back a much needed rest. Thank you to Theresa Tremblay-Orr for undertaking the kitchen duties for pancake breakfasts and for the upcoming Floor Curling tournament.

Once again thank you to all of you, the membership for your continued support and friendship. I look forward to seeing you soon.

Germaine
