## News and Views from President Sonja

As we enter the last month of 2018 it reminds one of all the activities as we make plans for the Christmas season. For me December is baking, colorful lights, shopping, parties, decorating the tree, presents, mandarin oranges, eggnog, Christmas carols, family gatherings, candlelight church service, lots of yummy delicious food and last of all our Saviors birth.

As you have noticed we have installed a new handicap accessible door on our south entrance as well entry mats on all doors to make things easier for those with mobility issues.

A wonderful job was done by Little Bird

Maintenance on stripping and waxing our floors. Our volunteer maintenance fellows are keeping them clean and tidy. Thanks guys. Let us all do our part by making sure we have our “inside footwear”.

You may have also noticed the floor covering mats that we have purchased as they are being stored along our south wall in the main hall. These mats will enable us to rent out this hall during floor curling season to cash in on the rental dollars. We could use some help with set up and takedowns.

Our annual Christmas dinner is on December 20th at 12:00 noon. After that we

can socialize, partake in activities or just have a visit with friends and acquaintances. Remember you must sign up for the dinner and pay \$10.00 in advance. Deadline to sign up is December 17th. This dinner is open to all “seniors” who sign up and pay the \$10.00. You do not need to be a member of the Drop In Centre.

As we say goodbye to 2018 my wish for all is to have a Happy, Safe and Healthy Christmas Season.

Merry Christmas & God Bless.
